

Nut Free Products Available

Thank you for your interest in Éminence Organic Skin Care.

We understand that some people have allergies or sensitivities to certain ingredients, including nuts. For your reference, this is a list of Éminence products that are nut-free.

Please note our manufacturing facilities may use equipment that processes nuts.

The list below is based on current formulations. Because Éminence is constantly innovating our product formulations to deliver the best results, we recommend that you refer to the packaging for the current ingredients.

Those with extreme sensitivity/acute allergy should proceed with their own comfort level. We recommend that you consult your medical professional regarding your concerns and conduct a patch test as required.
